MEMORANDUM FOR: Mr. Proctor *EWP*

FYI

If you agree, I'll tell OLC we think there is no need for an Agency response. (In view of deadlines, I've already told them that would probably be our response.)

Deputy Director

1. I don't believe a response to OMB is necessary on their proposal to release certain materials from the national stockpile of strategic materials. Because Mr. Proctor attended the final review of NSSM 197 on Critical Imported Materials, he may be interested in the attached memo which indicates that this legislation probably will conflict with other Congressional proposals to establish "economic stockpiles"
